

**4TH YEAR RESEARCH PROJECTS CONDUCTED BY THE
DEPARTMENT OF COMMUNITY MEDICINE DURING ACADEMIC
YEAR 2018-19**

Sr. No	Research Project Title	Roll No	Facilitator
1.	Knowledge, Attitude and Practices towards Annual Influenza vaccination among health care providers in Jinnah Hospital Lahore.	87,89,94,102,105	Dr Sana Iftikhar
2.	Brain Drain: Migration intentions and associated factors among medical students of Allama Iqbal Medical College, Lahore	85,88,90,96,109	Dr Sana Iftikhar
3.	Risk factors associated with mortality among burn patients presenting to Jinnah Burn and reconstructive centre Lahore.	91,93,97,99,110	Dr Sana Iftikhar
4.	Influence of gender on medical speciality choices among doctors in Jinnah Hospital, Lahore	177,178,179,198,185, 214	Dr Sana Iftikhar
5.	Nutritional awareness and dietary preferences among students of Allama Iqbal Medical College Lahore.	95,106,111,114,121	Dr Sana Iftikhar
6.	Frequency of malnutrition in children under 15 months of age in Jinnah hospital Lahore	187,188,186,191,212	Dr Sana Iftikhar
7.	Relationship of diet and acne among medical students of Allama Iqbal Medical College, Lahore	192,193,194,180,200	Dr Sana Iftikhar
8.	Frequency of low back pain and its determinants among medical students of Allama Iqbal Medical College, Lahore	107,108,112,113,115	Dr Sana Iftikhar
9.	Effect of stress on menstrual cycle in female medical students of Allama Iqbal Medical College, Lahore	92,98,116,117,123	Dr Sana Iftikhar
10.	Quality of life in patients	279, 300, 298, 13	Dr Zarabia Pervaiz ,

	undergoing chemotherapy at Jinnah hospital Lahore		Dr Mehwish Akhtar
11.	Assessment of knowledge and practices regarding hepatitis C prevention among janitorial staff of Jinnah hospital Lahore	275, 276, 274, 261, 347	Dr Zarabia Pervaiz Dr Mehwish Akhtar
12.	Fast food consumption and its association with BMI among the medical students of Allama iqbal medical college Lahore	299, 278, 273, 264, 272	Dr Zarabia Pervaiz Dr Mehwish Akhtar
13.	Clinico-pathological spectrum of chronic liver disease among patients presenting to Jinnah hospital Lahore	270,271, 291, 292, 296	Dr Zarabia Pervaiz Dr Mehwish Akhtar
14.	Frequency of gastroesophageal reflux disease and related factors among students of allama iqbal medical college Lahore	269, 268, 260, 263, 283	Dr Zarabia Pervaiz Dr Mehwish Akhtar
15.	Assessment of level of satisfaction in patients attendants receiving health care in OPD and emergency department at Jinnah hospital Lahore	285, 286, 288, 284, 281	Dr Zarabia Pervaiz Dr Mehwish Akhtar
16.	Knowledge, attitude and practices regarding breast self examination among medical students of allama iqbal medical college Lahore.	259, 262, 265, 266, 267	Dr Zarabia Pervaiz Dr Mehwish Akhtar
17.	Frequency of ischemic heart diseases in end stage renal disease patients presenting to the nephrology department of Jinnah hospital Lahore	293, 294, 295, 297, 341	Dr Zarabia Pervaiz Dr Mehwish Akhtar
18.	Awareness of thalessemia pre-marital screening among	44,49,50,57,58	Dr Ruqaiya Awan

	medical students of Allama Iqbal Medical College,Lahore.		
19.	Frequency of neuropathic symptoms in type II diabetes patients attending OPD Clinics at Jinnah hospital Lahore.	51,54,67,73,74	Dr Ruqaiya Awan
20.	Knowledge of first Aid among medical students of Allama Iqbal Medical College	48,64,45,59,81	Dr Ruqaiya Awan
21.	Assesement of risk factors for type II Diabetes among patients attending Jinnah Hospital,Lahore	78,60,56,55,62	Dr Ruqaiya Awan
22.	Assessment of knowledge ,attitude and practices regarding Hepatitis B and C among students of Allama Iqbal Medical College,Lahore	66,75,79,82,84	Dr Ruqaiya Awan
23.	Impact of acne on mood and self esteem of medical students of Allama Iqbal Medical College ,Lahore	47,52,53,65,71	Dr Ruqaiya Awan
24.	Deteminants of smoking among medical students of Allama Iqbal Medical College,Lahore	61,63,76,43,46	Dr Ruqaiya Awan
25.	Frequency of body dysmorphic disorders among medical students of Allama Iqbal Medical College,Lahore.	68,69,72,77,83	Dr Ruqaiya Awan
26.	Correlation of prolonged QTC interval with ventricular arrhythmias and in hospital mortality among patients presenting with ST segment elevated Myocardial	162,168,167,147,146,139	Dr Tahir Ismail

	Infarction in Jinnah Hospital Lahore.		
27.	Determinants of suicidal tendencies among medical students of Allama Iqbal Medical College, Lahore	129,132,155,144,142	Dr Tahir Ismail
28.	Perceptions and Practices of medical students regarding sheesha smoking.	158,138,136,140,127	Dr Tahir Ismail
29.	Knowledge, attitude and practices regarding first aid among medical students of Allama Iqbal Medical College, Lahore	151,152,150,149,166	Dr Tahir Ismail
30.	Adherence to treatment and related barriers among patients presenting at Jinnah Hospital Lahore.	161,169,164,163,145,149	Dr Tahir Ismail
31.	Pattern of internet usage among medical students Allama Iqbal Medical College, Lahore.	159,160,131,135,141	Dr Tahir Ismail
32.	Clinical profile and related risk factors of Rhinitis among medical students of Allama Iqbal Medical College, Lahore	169,161,164,163,145,149	Dr Tahir Ismail
33.	The use of cognitive enhancers among medical students of Allama Iqbal Medical College Lahore.	173,199,181,210,207	Dr Saira Amir
34.	A study to assess the knowledge and practice of fast food consumption among medical students of Allama Iqbal Medical College Lahore.	189,190,183,182,184	Dr Saira Amir
35.	Frequency of sleep and eating disorders among medical students of Allama Iqbal	197,203,205,208,211,213	Dr Saira Amir

	Medical College,Lahore		
36.	Frequency of malnutrition among children under 5 years of age presenting in Jinnah Hospital Lahore	186,187,188,191,212	Dr Saira Amir
37.	Common perceptions regarding euthanasia among medical students and practitioners of Jinnah Hospital Lahore.	170,154,172,172,175,176	Dr Saira Amir
38.	Relationship of diet and acne among medical students of Allama Iqbal Medical College,Lahore	200,180,194,193,192	Dr Saira Amir
39.	Frequency of obesity among medical students of Allama Iqbal Medical College and its related risk factors	171,174,195,196,201,202	Dr Saira Amir
40.	Knowledge ,attitude and practice of recommended routine estimation of HB1AC level among diabetic patients attending diabetic clinic and medical outdoor at Jinnah hospital, Lahore	231,233,235,249,252,229	Dr Nazim Gardezi
41.	Knowledge ,attitude and practice of face mask among patients of Allergic Rhinitis attending ENT OPD at Jinnah Hospital Lahore.	244,236,255,253,215,232	Dr Nazim Gardezi
42.	Assessment of the awareness of foot complications in patients of diabetes mellitus attending Jinnah Hospital,Lahore	220,216,221,248,219	Dr Nazim Gardezi
43.	Knowledge about SMOG and preventive measures among patients attending Medical,Surgical and Chest	240,222,226,237,238	Dr Nazim Gardezi

	Outdoor patients department of Jinnah Hospital Lahore.		
44.	Impact of usage of social media on inter personal communication among 3 rd and 4 th year Medical students of Allama Iqbal Medical College, Lahore.	223,224,230,217,225	Dr Nazim Gardezi
45.	Knowledge regarding determinants and frequency of migraine among 3 rd and 4 th year medical students of Allama Iqbal Medical College,Lahore.	245,247,241,218,246	Dr Nazim Gardezi
46.	Knowledge and practices of hand hygiene and use of gloves prior to patient handling among medical students of Allama Iqbal Medical College, Lahore.	242,243,239,256,250	Dr Nazim Gardezi
47.	Awareness of self esteem and its measurement among medical students of Allama Iqbal Medical College,Lahore	257,227,228,251,234	Dr Nazim Gardezi
48.	The role of sleep in predicting academic performance among medical students of Allama iqbal medical college Lahore	327. 329, 330	Dr. Aziz-ullah
49.	Determinants of stress and anxiety during the course of examination in medical students of allama iqbal medical college	335, 338, 339, 340, 342	Dr. Aziz-ullah
50.	Attention deficit hyperactivity disorder among medical students of allama iqbal medical college Lahore	310, 311, 322	Dr. Aziz-ullah
51.	Musculo-skeletal pain and associated risk factors among	326, 304, 318, 320, 333	Dr. Aziz-ullah

	medical students of allama iqbal medical college Lahore		
52.	Assessment of smart phone usage and its impact on social and academic life of students of allama iqbal medical college Lahore.	313, 314, 319, 334, 336	Dr. Aziz-ullah
53.	Assessment of sleep disorder among medical students of allama iqbal medical college Lahore	323, 324, 331, 332	Dr. Aziz-ullah
54.	Knowledge, attitude and practices regarding adverse effects of skin products among female medical students of allama iqbal medical college Lahore	305, 308, 328	Dr. Aziz-ullah
55.	Frequency and related risk factors of allergic rhinitis among students of allama iqbal medical college	303, 309, 317, 321, 337	Dr. Aziz-ullah
56.	Awareness and practices of breast self examination among female medical students of allama iqbal medical college Lahore	302, 306, 307, 325	Dr. Aziz-ullah
57.	Knowledge of cardiopulmonary resuscitation among medical students of aimc	1,5,7,15,16	Dr Mohammad Ali
58.	Assessment of Risk Factors associated with GERD(Gastroesophageal Reflux Disease) in patients coming to Jinnah Hospital,Lahore	2,9,19,20,30	Dr Mohammad Ali
59.	Awareness and Study of Risk factors of Myopia among	17,18,21,33,38	Dr Mohammad Ali

	medical students of Allama Iqbal Medical College		
60.	Awareness regarding oral antiviral drugs for the treatment of Hepatitis C and their adverse effects, among patients of Hepatitis C and their attendants, attending Medical OPD and hepatology clinic at JHL	4,23,26,27,32	Dr Mohammad Ali
61.	Menstrual irregularities in female medical students of Allama Iqbal Medical College Lahore	3,6,8,10,29	Dr Mohammad Ali
62.	Risk factors for pneumonia in children under 5 years presenting in Paediatrics ward Jinnah Hospital Lahore	22,24,25,28,31	Dr Mohammad Ali
