

**ELECTIVE CLINICAL ROTATION
POLICY FOR MBBS STUDENTS
(4TH and Final YEAR)**

**Allama Iqbal Medical College
Jinnah Hospital Lahore**

**Department of Medical Education
(DME)**

1. Introduction

This policy governs the acceptance and management of optional 2-4-weeks clinical electives for 4th and final year MBBS students from PMDC recognized medical colleges affiliated with University of Health Sciences. It ensures structured clinical, research and community health exposure while maintaining institutional standards, patient safety and compliance with UHS directives.

2. Objectives

- To provide structured clinical exposure in a tertiary care setting
- To standardize the intake of elective students across AIMC/JHL in line with UHS guidelines.
- To implement uniform standard operating procedures for elective rotations.
- To ensure that students coming for elective rotations are exposed to appropriate and standardized clinical training in safe working environment
- To ensure patient safety and professionalism and ethical conduct.
- To promote inter-institutional and international academic collaboration
- To strengthen self-directed learning and career orientation

3. Scope

Applies to:

- 4th year and final year MBBS students from PMDC-recognized and UHS affiliated institutions.
- Seeking Optional 2-4 weeks electives in clinical departments at AIMC/JHL
- Students applying via Department of Medical Education for elective rotation at AIMC/JHL.
- Electives will be scheduled during summer vacations without interfering academic schedules or examination.

4. Eligibility Criteria

Applicants must:

- Be enrolled in 4th or 5th year MBBS
- Have passed all previous professional examinations
- Maintains $\geq 75\%$ attendance in ongoing academic year in parent institution
- Possess valid student ID and CNIC
